Instructions:

1. Attach the vinyl decal to the front of the block, making sure that the opening is at the top.
2. Spray trees with spray adhesive and sprinkle with glitter. Hot glue trees to bottom of craft block
3. Spray the back of the craft block with adhesive and sprinkle glitter. Hot glue the 4in snowflakes to the back of the block. Cut the snow blanket to the size of the back of the craft block and hot glue over top of the snowflakes. Attach #40 Ribbon around sides of the craft block. Use the #9 Ribbon to make bow and attach to the top of the craft block.
4. Finally, attach the 2in Snowflakes to the front and bow and the White Deer to the Craft Block.

Enjoy!!☺
