- 28 1 Burlap Orange Carrot
- 5 4 Pink 99¢ Flower Bushes
- 1 2 yds Small Easter Ribbon (for basket)
- 9 1 pkg Whiskers (Item # 50-1)
- 6 1 pkg Clear or White Zip Ties

Instructions:

- 1) Gather the end of the White Deco Poly Mesh and twist tie with a chenille stem on to the outer ring of one of your wreath forms.

- 2) Go about 8 inches down and gather it again, twist tie this onto your outer ring about three inches from the previous chenille stem.
- 3) Repeat steps 1 and 2 until you've gone around the entire outside of the wire wreath form.
- 4) Now you're going to repeat steps 1 thru 3, but on the inside ring of the wreath form.
- 5) Repeat steps 1 thru 4 on your remaining wreath form.
- 6) Twist tie together with chenille stems your completed wreath forms one on top of the other.
- 7) Take one wire easel and bend into the shape of an ear.
- 8) Using a zip tie, secure the 3 pieces tightly together and cut off excess with wire cutters.
- 9) Starting on the left side of the easel, take your Deco Mesh and make small loops and secure with Chenille Stems until you have worked your way over to the right side and up the middle.
- 10) Use pink flowers in the middle of the wire easel to accent the ears.
- 11) Secure ear to the back of the Bunny's head using zip ties.
- 12) Repeat with other easel for second ear.
- 13) Attach remaining pink flowers to make the Bunny's Belly.
- 14) Attach the eyelashes to the back of the 40mm eyes with glue and then hot glue to face.
- 15) Attach pink Pom Pom to face with hot glue for the nose.
- 16) Using a black Chenille stem, shape into a mouth and attach to bunny face under pink pom pom.
- 17) Use Large Easter Ribbon and tie a bow and attach around the bunny's neck.
- 18) Use small Easter ribbon to decorate basket, then fill with Easter Grass and Easter Eggs, glue these in place and attach to bunny body.
- 19) Attach carrot opposite of Basket and Enjoy!
