

Vintage Photo Mason Jar

Supplies: 1 quart Mason Jar

1 4x6 Black and White or Sepia toned Photo

1 Quart Vegetable Oil

Ribbon and Dried Flowers (optional)

Step 1: Trim the picture to fit into the curved part of the mason jar with the least amount of writing.

Step 2: Turn the picture face out so the image is against the inside of the glass.

Step 3: Pour in vegetable oil slowly so your picture doesn't move around.

Step 4: Add dried or fake flowers to backside of picture.

Step 5: Put the lid on tightly and tie a ribbon around it!
